Kibbutz Kulanu

July 12-16, 2010

A Jewish Camp experience is credited with being one of the best ways to provide your child with a strong Jewish identity. **Kibbutz Kulanu** is a fun and affordable way to introduce children to summer camp while still staying in Springfield. **Kibbutz Kulanu** is located at the Lake Springfield Baptist Camp. The facilities include an air conditioned multi-purpose room, in-ground swimming pool, arts & crafts area, fire circle and nature trails.

Staff

Campers benefit from having Camp Directors from Israel. They are sponsored by the *Soul Train* program from Israel and they bring a wealth of knowledge and experiences to share with our campers. They are joined by a support staff of local *madrichim* (counselors) who are committed to creating a fun and safe

Jewish atmosphere for our campers.

A CPR/First Aid certified staff member is always present at the camp and our staff is trained to ensure the safety of all our campers.

Jewish Content

Campers will enjoy Jewish programming, tailor-made for their age, combining Jewish values, Israeli games, camp songs, Bible stories and other camp activities based on the Jewish theme for the week.

Sports and Games

Each day, campers will participate in a variety of sports and games, both American and Israeli.

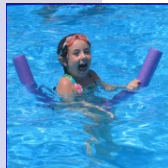

Arts and Crafts

What would summer camp be without arts & crafts? Campers will enjoy a variety of crafts, both traditional and innovative, to expand their creativity and compliment the theme for the week.

Swimming

The in-ground pool remains a favorite activity of *Kibbutz Kulanu* alums. Campers will love swimming and playing games in the pool each afternoon.
